

Hi MSC Folks,

White-over-white marks have been painted on the Owl canopy frame as explained below. Thanks to all the MSC CFGs and to Jay Biggs, Maintenance, for participating in this exercise to make it **EASY to SEE** that the Owl canopy is Closed and Locked. - Bob Wander, August 2016.

Owl: Front seat canopy latch open.

Owl: Front seat canopy latch in motion but not yet closed.  
**This a dangerous condition!**

Owl: Front seat canopy latch closed and locked.  
**White over White, You're All Right.**

Owl: Rear seat canopy latch closed and locked.  
**White over White, You're All Right.**

The FOO View (Rear cockpit, outside view).  
It's EASY to see that  
**White over White, You're All Right.**
